

GRIEF SUPPORT RESOURCES

After the loss of a loved one, coping with daily living can be hard. Everyone handles grief differently and it is important to seek support when needed. Haven offers individual, family and group bereavement support, as well as educational resources for anyone who has experienced a loss. You can reach Haven's bereavement team by calling 1.844.LIGHTEN (1.844.544.4836). Below are some additional resources you can access remotely online.
