

Camp Safe Haven

Family Bereavement Camp

A free day camp to help children, youth and their families understand their grief and find peace

.....

Haven Hospice offers bereavement camps at no cost for children and youth ages 5-18 and their families after the death of a loved one. Campers build coping skills, share feelings, and take part in fun therapeutic activities led by Haven professionals and volunteers.

- » **Encourage** participants to acknowledge their feelings, thoughts and behaviors related to loss
- » **Empower** participants to learn how to manage their grief reactions
- » **Enlighten** participants to know that grief is natural, it is okay to feel sad, and they are not alone
